

Quantum Thinking & Personal Growth

Success Strategies for Mastery in Business

Saturday, March 21, 2009 ✨ Oceano Hotel, Half Moon Bay, CA ✨ 10 am - 4 pm

IT'S TIME TO MAKE YOUR QUANTUM LEAP TOWARD MORE SUCCESS!

Gerald Harris, Dr. Brenda Wade and Barbara Russo combine their business and personal development expertise to bring you this extraordinary one-day event that can change your success ratio forever. In this seminar, you will gain powerful, practical, scientifically proven tools and information for understanding how to accelerate your personal growth and how you can become a more strategic asset to your business or organization. Here you will:

- ◆ Understand your growth quotient
- ◆ Learn how to understand and expand out of your comfort zone for growth
- ◆ Gain tools for diagnosing your strategic importance to your business / organization
- ◆ Acquire tools for making a more strategic contribution to your business / organization
- ◆ Learn the breakthrough skills needed to master personal and business integration and to truly see the success you desire in your business and in your personal life.

Also, not to be missed - Gerald Harris will give an early preview of the new ideas from his new book, *The Art of Quantum Planning, Lessons from Quantum Physics for Breakthroughs in Creativity, Innovation and Leadership*.
